

# VISUAL HISTORY OF THE HOLOCAUST

Rethinking Curation  
in the Digital Age

## Kick-off Meeting

Vienna & Mauthausen, Austria  
February 27 – March 1, 2019

Jointly hosted by

Ludwig Boltzmann Institute for  
History and Society, Vienna

Austrian Film Museum, Vienna

This first in a series of annual VHH Consortium Meetings provides the opportunity to lay out the vision and to discuss the work plan of the project. A video conference is held with the European Commission Project Officer supervising the project, details of administrative responsibilities and workflows are discussed. A one-day co-creation workshop is held to start the requirements elicitation for the future Visual History of the Holocaust Media Management and Search Infrastructure (VHH-MMSI). The three-day meeting concludes with on-site visits of the Mauthausen Memorial and the Gusen Memorial.
